ABOUT BUCKEYE

This property is a rare find on Middle Sound Loop in the desirable Ogden location. All properties back up to Pages Creek with a gorgeous view of the marsh. There is a planned shared gazebo in the small 8 lot neighborhood, and is also within walking distance to the new Pages Creek Park Reserve, a 1 mile nature trail that will also have a kayak launch and environmental education features. This property is available for individual lot sale or as a whole to interested builders/investors.

ABOUT TRASK LAND COMPANY

Trask Land Company offers a full range of development services. Our portfolio depicts our wide variety of projects: retail, office, single family residential, multifamily residential and mixed-use. Projects such as award-winning Autumn Hall demonstrate our ability to work from the rezoning stage to both commercial and residential infrastructure as well as commercial build-to-suit. Projects such as Vista Cay Village represent Trask Land Company's ability to form partnerships with ongoing projects and manage daily infrastructure. The team at Trask Land Company values projects at different stages of development and offers services to suit the unique needs of each stakeholder.

Trask Land Company has experience in coordinating special financing for various kinds of developments, including working with municipalities and securing government backed financing.
